

HARD COPY RESOURCES		Cost	
		<p>Basic Starter Pack covers Early, First & Second levels</p> <p>1 per class/base suggested for basic level buy-in for Primary & Secondary settings. Includes 7x cog cards (dry wipe), 4x cog model reference cards (dry wipe), Symbol book, 2x 'DIY' cog card prompts. A Nursery Starter Pack can be provided on request with 2 extra symbol books instead of the Cog Cards and Models.</p>	£25
		<p>Symbol Book Early Level</p> <p>1 copy is included in the Basic Starter Pack, but extra copies of the Symbol Book may be purchased for nursery/P1/ASN classes where visual supports are particularly helpful for word learning and usage.</p>	£10
		<p>Symbol folder with 249 symbols Early Level</p> <p>Optional extra for nursery/P1/ASN. Contains the full 220+ symbols from the symbol book as laminated, pre-cut prompt cards. Supplied with a folder for organised storage or presentation. Helpful for supporting word learning alongside a range of activities such as stories, role play, songs and games.</p>	£30
		<p>Interactive Symbol Display with 60 symbols Early & First Level</p> <p>Optional extra. Useful for classroom reference areas where Emotion Works discussions and learning conversations can take place. Contains a selection of 12 words/phrases from each cog concept to help develop an understanding of the way the Emotion Works 'system' works.</p>	£30
		<p>A3 Cog Conversation Tools – 4 & 5 part First level</p> <p>Optional extra. These A3, dry wipe 'Storyboards' and 'Noteboards' are useful for supporting discussions and note-taking for comprehension tasks, also as a writing frame for story composition. Black & White photocopyable versions are available online for follow up work.</p>	£15
		<p>A3 Cog Conversation Tools – 6 & 7 part Second Level +</p> <p>Optional extra. These A3, dry wipe 'Storyboards' and 'Noteboards' are useful for supporting discussions and note-taking for comprehension tasks, also as a writing frame for story composition. Black & White photocopyable versions are available online for follow up work.</p>	£15

	<p>Graphic Text Conversation Tools First & Second Level +</p> <p>Optional extra. These A3, dry wipe 'Storyboards' and A4 'Notecards' are useful for supporting discussions and note-taking for comprehension tasks, also as a writing frame for story composition. The graphics on these cards move away from the cog shape but keep the colour-coding of the Component Model.</p>	£30
	<p>Cog Card Set 21 cm diameter First & Second Level</p> <p>Optional extra. Coloured & laminated with a dry wipe surface. Cog-shaped. 2-sided, with text prompts on one side, and white space on the other for notes, drawings, post-its, symbols etc. Use as part of an interactive display, as a visual lesson prompt, or for table top tasks.</p>	£25
	<p>Coloured Cog Shapes 30cm diameter Early, First & Second Level</p> <p>Optional extra. Coloured & laminated with a dry wipe surface. Cog-shaped. One side shows the cog symbol set inside a large coloured border, and the other side has white space in the center for notes, drawings, post-its, symbols etc. A useful hand held teaching aid or for larger displays. Display individually, in links, or as a full set.</p>	£30
	<p>Playground Cog Set – 5 cogs Early & First Level</p> <p>Playground Cog set made from 10mm weatherproof foamex. 60cm diameter with drill holes for mounting. Can be used indoors as a teaching aid (e.g. during assemblies) and outdoors for outdoor learning, or to support discussions about emotional events and experiences at playtime. This is the 5 cog set including the 'Emotion Words', 'Body Sensations', 'Triggers', 'Behaviours' and 'Regulation Strategies' cogs.</p>	£225
	<p>Playground Cog Set – 7 cogs Early, First & Second levels</p> <p>Playground Cog set made from 10mm weatherproof foamex. 60cm diameter with drill holes for mounting. Can be used indoors as a teaching aid (e.g. during assemblies) and outdoors for outdoor learning, or to support discussions about emotional events and experiences at playtime. This is the 7 cog set including the 'Intensity' and 'Influences' cog, usually introduced from P5 onwards.</p>	£300
	<p>A3 Cog Model Poster / Discussion Tool for staff room / adult use only</p> <p>A handy reference poster to help staff keep the Emotion Works 'model in mind' during planning meetings, incident de-briefs etc. The reflection tool on the other side helps a staff team take a step-by-step 'unpacking' & solution focused approach to discussing emotionally charged incidents.</p>	£5
	<p>Training Booklet with Guidance Documents for staff</p> <p>This full-colour 14-page booklet supports our online and face-to-face trainings. Please note, a training booklet is included for each person you purchase a staff registration for. Should you require more for a training delivery, these can be requested at the time of booking your training.</p>	£2 each

You will need...

GROUP LICENSE, STAFF REGISTRATION & WEBSITE MEMBERSHIP

Group License – a flat fee for schools, nurseries and specialist services, payable annually.
Staff Registration fee - includes Website Membership & Training Booklet for each member of staff in your group. This is a one-off fee for setting up your account to match the number of staff (teachers & support staff) in your school, setting or service.

HARD COPY RESOURCES

Our Starter Packs offer a basic set of resources to use across Early, First and Second Levels of Curriculum for Excellence. **Optional Extras** are also available to support more in-depth learning across each level. A breakdown of all of our hard copy resources are provided overleaf.

TRAINING OPTIONS

In-service Trainings can be delivered as full days, half days or twilights to suit the needs of your staff, setting and learners.
Open Training Sessions are delivered as full day options at the Emotion Works Classroom in Edinburgh, or as 2-part twilights from our local classroom hubs in Glasgow, Fife, Renfrewshire, West Lothian, South Lanarkshire and Highland. Please check our website for upcoming dates.

ONGOING SUPPORT

Local mentoring support can be delivered by your local Emotion Works consultant. Also, the members area on our website alongside our thriving 'Emotion Works Practitioners' Facebook Group offer online support and guidance at the touch of a button.
